Client/Parent Support Behavior Intervention Training (048)

Service Code Definition:

This service code can no longer be used unless the Department approves an exemption.

A regional center shall classify a vendor as a Client/Parent Support/Behavior Intervention provider if the vendor provides behavior intervention services to include the use of behavior intervention programs, development of programs to improve the recipient's development, behavior tracking and analysis, and the fading of any intrusive intervention measures. The intervention programs will be restricted to generally accepted positive approaches. Program services ages 4 years to 18 years (or those 3 years or younger deemed high risk for developmental delay). This program is not funded by the Dept. of Education because children and families will be served on an individual basis. However, the child's special education program will not be discontinued or altered.
