765 Pharmaceutical Services

Pharmaceutical Services (765)

Service Code Definition:

A regional center shall classify a vendor as a provider of pharmaceutical services if the vendor is:

(A) A person who is validly licensed as a pharmacist by the California State Board of Pharmacy, and who identifies, prepares, or preserves compounds and dispenses drugs; or

(B) A pharmacy which is validly licensed as a pharmacy by the California State Board of Pharmacy, and which
is a facility where medicines are compounded or dispensed.
